

## Important Notice to our Customers

**Product Change Notice 220928A**

**Date: September 28, 2022**

**Re: EOM CAP1000+ viscometers**

### **To Our Valued Customers:**

We appreciate your use of CAP1000+ viscometers. The purpose of this notice is to inform you that the family of CAP1000+ viscometers will no longer be manufactured after December 31, 2022.

### **PCN Type:**

Notice of end of product manufacturing (EOM) requiring customers to migrate to an alternative product for new purchases, CAP1000+ viscometers no longer be offered after December 31, 2022.

### **Product(s) Affected:**

CAP1000+ viscometers

### **Customer Impact:**

Due to the age of this product and the limited availability of components, customers will no longer be able to place new orders for CAP1000+ viscometers after December 31, 2022. Please note that AMETEK Brookfield will continue to offer calibration and repair services for this product, subject to parts availability.

AMETEK Brookfield offers products that perform similar functions as the CAP1000+ viscometers, including the CAP2000+ viscometer, that can be used in most instances. Please visit the AMETEK Brookfield page at [www.brookfieldengineering.com](http://www.brookfieldengineering.com) for more information on our current line of viscometers or contact AMETEK Brookfield for recommendations on alternate products.
