

Jerome 431-X & 631-X End of Warranty Notice

January 25, 2018 By [AMETEK Brookfield](#)

Thank you for your support of the Jerome® brand of hydrogen sulfide and mercury vapor analyzers.

Due to the age of these instruments, Arizona Instrument will discontinue offering annual extended warranties beginning **April 30, 2018**.

- **Jerome® 431-X Mercury Vapor Analyzer** – manufactured before June 1, 2003 (s/n lower than 3877)
- **Jerome® 631-X Hydrogen Sulfide Analyzer** – manufactured before June 1, 2003 (s/n lower than 2083)

Please note that this end of warranty renewal notification does not apply to Jerome® 431-X and 631-X analyzers manufactured after June 1, 2003, with serial numbers greater than or equal to those listed above for their respective instruments.

Extended warranties for instruments included in this end of warranty renewal announcement will remain available for purchase until **April 30, 2018**. Instruments with extended warranties current as of **April 30, 2018**, will be serviced according to the terms of the warranty. Arizona Instrument will continue to provide calibration and repair services for Jerome® analyzers included in this end of warranty notification after **April 30, 2018**.

Visit our Jerome product page for more information on our current line of Jerome gas analyzers, including the including the [Jerome® J505 mercury vapor analyzer](#) and [Jerome® J605 hydrogen sulfide analyzer](#).

Thank you for your continued support. If we can help you with any questions, please [contact us online](#), call us at 800-528-7411, or email us at customerservice.azic@ametek.com.

Sincerely,

Rick Ervin | Sales Manager
