INSTRUMENT INFORMATION

If you have stored results, tests or user profiles in the internal memory of your Jerome Analyzers, AMETEK Brookfield recommends that you create a back-up file before returning the instrument in for service.

Model: _____ Serial No: _____

While your instrument is in for service, it is our practice to update the firmware to be the latest available version.

Check this box here if you do not wish to have your instruments firmware updated.

Please describe all problems/malfunctions:

* NOTE: If the instrument was exposed to hazardous material, contact Brookfield with the SDS for approval prior to shipment. After approval to ship the unit, it must be decontaminated BEFORE returning to Brookfield and an SDS for the hazardous material must be included with the instrument.

Please check this box if you received a Service Reminder Email for this instrument.

SERVICES Please check the box of all service(s) required.

Instruments:

- Calibration & Certification Service for Jerome J405 or X431\$680.00

Return Authorization Number :

PACKAGING INSTRUCTIONS TO RETURN A JEROME FOR REPAIR OR CALIBRATION

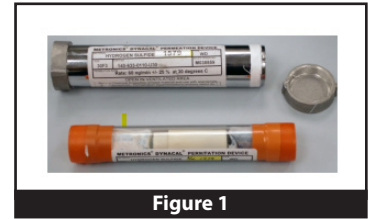

RUSH SERVICE MUST BE INDICATED ON THIS FORM AND CLEARLY MARKED ON THE OUTSIDE OF YOUR SHIPPING PACKAGE. ALL INSTRUMENTS RETURNED FOR REPAIR REQUIRE A RETURN AUTHORIZATION NUMBER.

Using these instructions, return the Jerome to the attention of the Repair Department (see address below).

Please call our Repair Department for a Return Authorization Number. Failure to do so may delay the repair process.

- Remove and return FTM repairs by removing the perm tube from the FTM and return perm tube shipped in original canister. Perm tube must ship with the instrument.
- Include SDS sheets for all hazardous materials tested with this instrument, after approval to ship the unit.
- Pack the instrument in its original case. Cases are available for immediate shipment from Brookfield. If you do not have a case, you may ship Jerome in any box as long as they have enough material to snugly support it. Avoid using foam peanuts or shredded paper.
- Do not ship any accessories or accessory kits as AMETEK Brookfield is not responsible for lost or missing items. Accessories include: manuals, probes, power cables, probes, etc.
- Fill out page 1 of this *Repair Return Form* with as much information as possible to help expedite your service. This form can also be downloaded from our website:
www.brookfieldengineering.com
-or -
Email us at css.azic@ametek.com
TEL 800.528.7411 OR 602.470.1414
- Package the instrument and related items in a strong box for shipping. Mark the outside of the box with handling instructions and your return authorization number.

Example: “Handle with Care” or
“Fragile - Delicate Instrument”
“Rush” if appropriate

BEFORE RETURNING YOUR INSTRUMENT, YOU MUST CALL AMETEK BROOKFIELD OR GO ONLINE FOR A RETURN AUTHORIZATION NUMBER. FAILURE TO DO SO MAY RESULT IN LONGER REPAIR TIME.
