

Important Notice to our Customers

Product Change Notice 220621C

Date: June 21, 2022

Re: EOM KU-2 viscometers

To Our Valued Customers:

We appreciate your use of KU-2 viscometers. The purpose of this notice is to inform you that the family of KU-2 viscometers will no longer be manufactured after June 21, 2022.

PCN Type:

Notice of end of product manufacturing (EOM) requiring customers to migrate to an alternative product for new purchases, KU-2 viscometers no longer be offered after June 21, 2022.

Product(s) Affected:

KU-2 viscometers

Customer Impact:

Due to the age of this product and the limited availability of components, customers will no longer be able to place new orders for KU-2 viscometers after June 21, 2022. Please note that AMETEK Brookfield will continue to offer calibration and repair services for this product, subject to parts availability.

AMETEK Brookfield offers products that perform similar functions as the KU-2 viscometers, including the KU-3 viscometer, that can be used in most instances. Please visit the AMETEK Brookfield page at www.brookfieldengineering.com for more information on our current line of viscometers or contact AMETEK Brookfield for recommendations on alternate products.
