

Important Notice to our Customers

Product Change Notice 220315A

Date: Mar. 15, 2022

Re: EOM RST Rheometers

To Our Valued Customers:

We appreciate your use of the RST family of rheometers. The purpose of this notice is to inform you that this product is no longer available for sale and will no longer be manufactured after March 31, 2022.

PCN Type:

Notice of end of product manufacturing (EOM) requiring customers to migrate to an alternative product for new purchases, RST rheometers are no longer be available for sale and will no longer be manufactured after March 31, 2022

Product(s) Affected:

RST rheometers

Customer Impact:

Due to the introduction of the RSX family of rheometers, customers will no longer be able to place new orders for RST rheometers. AMETEK Brookfield will continue to build RST rheometers to fulfill remaining orders until March 31, 2022. Please note that AMETEK Brookfield will continue to offer calibration and repair services for this product.

The recently introduced RSX family of rheometers from AMETEK Brookfield was designed to be the successor to the RST and provides improved functionality and an enhanced user experience for customers. Please visit the AMETEK Brookfield page at www.brookfieldengineering.com for more information on this and other laboratory viscometers and rheometers, or contact AMETEK Brookfield for recommendations on alternate products.
