Product Change Notice 240322B

Date: Mar. 22, 2024

Re: EOM TexturePro CT software

To Our Valued Customers:

We appreciate your use of TexturePro CT software. The purpose of this notice is to inform you that this product will no longer be produced or available for sale after June 30, 2024.

PCN Type:

Notice of end of product manufacturing (EOM) requiring customers to migrate to an alternative product for new purchases, TexturePro CT software will no longer be offered after June 30, 2024.

Product(s) Affected:

TexturePro CT software

Customer Impact:

Due to the EOM of the CT3 Texture Analyzer in 2023, coupled with the age of the TexturePro CT software, customers will be unable to place new orders for TexturePro CT software after June 30, 2024. Please note that AMETEK Brookfield will continue to offer support services for TexturePro CT software.

AMETEK Brookfield offers products that perform the same or similar functions as TexturePro CT, including the CTX Texture Analyzer with the Texture Pro software, that can be used in most instances. Please visit the AMETEK Brookfield page at www.brookfieldengineering.com for more information on our current line of viscometers and software, or contact AMETEK Brookfield for recommendations on alternate products.
